---

Mark,

I'll be sending to Dana Tulis shortly the attached list of action items from the Administrator's meetings this week. I think HQ can take the lead on many, if not most. Just wanted to give you a heads up. I'm hoping this will be manageable (though not insignificant) amount of work for our team in the Region. But it's important to demonstrate the Administrator's responsiveness.

Thanks for your help.

Larry

Sam,

As you might expect, there were a number of requests for follow-up action coming out of the several meetings with the Administrator. I tried to suggest a lead office after each item -- mainly HQ offices. Before I share these more broadly, I wanted to get your reaction. I'm hoping that divided up, this won't be too much of a burden. What do you think?

Larry
